

**WARREN COUNTY PARKS AND RECREATION
DEPARTMENT
LAKE WATER USAGE
for Basil Griffin Park**

The Lake Water / Aquatic Area at Basil Griffin Park can only be used for approved functions through the KY Fish and Wildlife FINS Program Criteria. The area is patrolled weekly by KY Fish and Wildlife Game Wardens to ensure compliance of state mandated regulations. (Fishing, canoeing, kayaking, and trolling motors are allowed on the lake. Outboard motor usage is not allowed on the lake). Additional rules include the following:

- Swimming is not allowed in the lake.
- All users must comply with all KY Fish and Wildlife and WCPRD Rules and Regulation Signage posted.
- Water may not be removed from the lake for commercial / industrial usage (example: tanker trucks filling up for commercial or industrial watering purposes).
- Water can only be removed from the lake by approved emergency service agencies (county fire departments), Warren County Government Divisions, KY Fish and Wildlife Department, or KY Division of Water.

Penalties for Non-Compliance:

- **1st Offense** – Patron will be warned to cease non-compliant behavior.
- **2nd Offense** – Patron will be asked to leave the facility and may face a twelve (12) month dismissal from all WCPRD properties and facilities.
